## ACCOMMODATION BILLING PERIODS - February to June & July to October

For February-June billing, an invoice will be sent prior to the commencement of residency, once the Accommodation Agreement is accepted and the Fee Agreement and payment of deposit are received (\$1,000 deposit for both new and returning residents). The amount of the deposit is applied against deposits and levies, with the balance applied as a credit against fees. An invoice for the accommodation fees for each billing period will be emailed prior to the billing period. Outstanding fee reminders are given to residents prior to the end of each fee payment period.

It is important that all fees are paid on time. If you are experiencing difficulties in paying your fees, the College will endeavour to assist you. It is important that you notify the College Office if you are encountering any difficulties in paying your fees.
